MPT Fiber Internet Service (SME Broadband) Application Form

We hereby order this MPT Fiber Internet Service (SME Broadband) as shown below. We understand that MPT will provide this Service under the MPT's General Terms and Conditions (the "General Terms"). This Application Form, together with the General Terms and the Specific Terms and Conditions (the "Specific Terms") for this Fiber Internet Service (SME Broadband), constitute the entire agreement with MPT for the Services and supersedes all prior agreements, proposals, representations, statements or understanding whether written or oral. Terms used in this Application Form not otherwise defined herein shall have the same meaning ascribed to them in the General Terms and/or Specific Terms.

We understand that the charges and the lead time for circuit termination and other terms and conditions of this Service packages are decided by MPT. We also understand that the Customer has responsibility for the in-house wiring/cabling arrangement.
